Thank you for giving children the promise of a brighter future

Dear Mr Jones

Thank you so much for your gift of £427.47 raised at your Christingle service. It's thanks to dedicated supporters like you that Christingle has become what it is today: a beacon of hope for children who feel scared, unloved and like they simply don't matter.

The funds you've raised are absolutely vital in ensuring that more vulnerable children receive the support that they need, and so you and everyone involved in your Christingle should feel incredibly proud of the difference your gift is making to children's lives.

Your Christingle serves as a great example of what we can achieve together. Last year we worked directly with more than 13,000 children and young people who were experiencing serious problems in their lives. We also improved the lives of more than 3 million children through making 27 local and national policy changes. This simply would not have been possible were it not for the dedication and generosity of our supporters, choosing to come together to make sure that no child feels alone.

If you haven't already, please do put up our thank you poster to let your local community know how much money was raised. You can find this on the reverse of the invitation poster which was included in our Christingle Organiser's Pack, or alternatively you can download one to print out from christingle.org/resources
