Dodgeball

Well done to all the children in Year Six that took part in the local schools dodgeball competition. The competition was held in the school hall and teams of 7 pupils competed with each other in games of dodgeball. Although there were no official winners, the team did very well showing not only great accuracy but fantastic team spirit –well done.

Curriculum Day

Following the success of Year Five and Year Six's curriculum days, there have been other opportunities to bring the curriculum to life. On Tuesday pupils in Year 1 and Year 2 dressed up as though they were in the times of the Great Fire of London, during the day they did some interesting activities including making bread –just like in Pudding Lane! (Thankfully no fires!) Year 3 and 4 have been continuing their topic on the human body and created special body T-shirts –which they were all very proud of and finally Reception and Nursery pupils had a visit from the Birds of Prey. Thank you for supporting these activities and helping to bring learning to life.

Parents Questionnaire

We have looked carefully at all the information that you completed at parents evening and have now put this on to the school website. If you would like to have a look it is on the School Information tab. We had 73 responses and the overall outcome is very positive. Where the figures are slightly lower we will be doing further work to improve this. Again many thanks to those of you who took time to fill in the form –what you tell us is very important.

eSchools App

If you haven't used this facility already, please have a go. The app enables you to get instant messages/communication from school with regards to day to day information i.e.; if a club has to be cancelled or a trip is running late etc.

If you need any further information or help with logging on please pop into the school office .

Attendance

Attendance: We're aiming for 97% !

Class	% attendance this week (all pupils)

Housing Benefit Change in Circumstance App

Hambleton District Council has recently released a phone app that will allow you to report a change in your circumstance if you are in receipt of Housing Benefit and/or Council Tax Reduction. Changes in circumstances should be reported promptly. This app will enable you to notify us directly of any changes of circumstance at a more convenient time for you. This is available now via your Apple iStore or your Google Play Store and search for Hambleton FERIS. This is free to download.
