## Thirsk Community Primary School

30.06.2017

### Sports day

We have rearranged Sports day for Tuesday 18<sup>th</sup> July. The times of the event will remain the same with Key Stage One's sports day starting at 9.30am and Key Stage Two's sports day starting at 1.30pm. Fingers crossed that we get some better weather!

### Year Six Leavers Performance

At the beginning of the week was Year Six's leavers concert. This year they performed a drama about leaving Primary School and starting at High School. The performance was excellent — both humorous and thought provoking. All the pupils made great contributions and the singing and acting was excellent. Well done Year Six -enjoy your transition week at High School, but will it be the same as in your play?

### School reports

This evening your children (Reception to Year Six) will have brought home their report for this year. As you will have already seen in the Newsletter a couple of weeks ago, we have slightly changed the report format. We hope that you find the information useful and informative. On Thursday next week there is an opportunity to come and discuss the report with your child's class teacher. This is an 'open door' session so there is no need to book an appointment. If you have any questions please do come in to school and talk with us. **A small plea, if address and parent information needs updating –please let the office know.**

### Transition Week

Next week is transition week. As you may have already seen in the letter home yesterday the children will be spending time with their new teacher. This was very successful last year and helped the children to prepare for September. If over the week you have any worries or concerns please do come in to school and speak with us -we will be more than happy to help.

### School Uniform

Can I please remind everyone that children are expected to attend school in school uniform. I do understand that there are times where this is not possible, but these should be the exceptions. Towards the end of term I will be sending out a letter in preparation for September that clearly outlines the school expectations for the coming academic year. Thank you for your support with this.
