Community Primary School

27/01/2017

Firstly this week well done to all the year Six pupils that have been involved in cycling proficiency again this week, despite freezing temperatures and lots of numb fingers, they have persevered with this very important training.

Don't forget that next week is parents evening (Wednesday and Thursday Evenings for children in Reception to Year 5). As you may have noted we are having this parents evening slightly early in the spring term than in previous years. This has been organised as we would like to be able to share with you what is going well but also what the next steps are and have plenty of time to work on them both in school and, with your support, at home. Slightly scary as it sounds, by February half-term the children are at the mid-way point of their time with their current teacher. Thank you again to all of you that have booked on-line in most cases it has worked well –if you are struggling to get it to work pop in to the office and one of the team will help you.

Finally the school council met earlier this week to look at the plans for the development of our outdoor areas. They were very impressed with the proposals. I will be putting a copy of the plans on display at parents evening.

eSchools App

If you haven't used this facility already, please have a go. The app enables you to get instant messages/communication from school with regards to day to day information i.e.; if a club has to be cancelled or a trip is running late etc.

If you need any further information or help with logging on please pop into the school office .

Attendance

Attendance: We're aiming for 97% !

Class	% attendance this week (all pupils)
RP	89
1B	98.4
1/2S	93.3
1/2C	94.3
3BC	91.3
4B	99.1
4AW	92
5E	94.7
6T	97.9
Total	94.7

We still have two pairs of lost glasses in the school office.

We also have a key found on the car park

We also have a watch, possibly left after swimming, please call into the office if you think this watch is yours.

Pat Turner

Scarlet Philips 1/2C for working extremely hard since the start of the spring term. She embraces new challenges and is working hard to improve her work every day. She also puts in a lot of effort in everything she does.

Sophie Milton 5E for being kind and always giving 100% in everything that she does. Well done !

Housing Benefit Change in Circumstance App

Hambleton District Council has recently released a phone app that will allow you to report a change in your circumstance if you are in receipt of Housing Benefit and/or Council Tax Reduction. Changes in circumstances should be reported promptly. This app will enable you to notify us directly of any changes of circumstance at a more convenient time for you. This is available now via your Apple iStore or your Google Play Store and search for Hambleton FERIS. This is free to download.
