

Thirsk Community Primary School

Window on the world assemblies

Well done to all the children that have taken part in the Window on the World assemblies. This week children throughout the school have led assemblies on different themes. All of the assemblies have been very engaging and the children have shown lots of confidence whilst delivering them.

99 Maths Club

The 99 maths club has created quite a buzz of excitement at school this week and many children are busy trying to learn their tables in order to get to the next 'club'. Already we have some pupils in Year 6 that have reached the 99 club and each week in the newsletter we will celebrate those children that have achieved this. Thank you to all of you that have been helping your child to get better with their tables –I can say with confidence that knowing table facts is the most powerful way of improving mathematical knowledge and future success in maths. Keep practising everyone!

Weekly Attendance we are aiming for higher than 97%

Class	% attendance this week (all pupils)
RB	99.2 Outstanding
R/1S	97 Fantastic
1/2EC	99.2 Excellent
1/2MC	96.7 Well done
3BC	95.6
3PR	100 OUTSTANDING!
4AW	97.8 Well done
5E	99 Excellent
5P	97.3 Well done
6T	96.2 Well done
Total	97.9 Fantastic

22nd June 6T	

5E Space Topic

Pat Turner Award

Elijah Sukani 5E for making a positive contribution to every lesson. He is kind, considerate and helpful to others and is a good friend. He is a positive role model and has made a super effort this term with explaining ideas to a learning partner and with reading at home.

Archie Tait R/1S for fantastic attention to learning, loves a challenge and is always a kind friend. He listens carefully and always follows instructions first time. Well done
