Quadkids

Firstly this week well done to all the children that took part in the Quad Kids competition at Thirsk High School earlier this week. The competition involved pupils taking part in a short run, a longer run, a throwing event and a long jump event. Each of our teams did very well with the Year 1/2 team and Year 3/4 team gaining an overall second and the Year 5/6 an overall third place. During the afternoon there were some incredible individual performances. Finally well done to the sports leaders that went and helped with the event –they did a brilliant job at representing the school.

Sponsored Walk

Next Tuesday (20th June) is the rearranged sponsored walk –fingers crossed for dry weather. If you are able to help with this event please let your child's teacher know and if you haven't got the reply slip back can that also be handed in as soon as possible.

End of Year Reports

This year we have made some changes to the end of year summer reports for Years 1-6.

On your child's report there will be a judgement made in English, Maths, Science and Topic, about **attainment** (how your child is doing compared to National Standards for their year group) and also about **effort** (the effort that has been made with learning) Alongside this there will be a written commentary explaining the progress that your son or daughter has made during the year. We hope by making these changes that you will have a really clear idea of how well your child is doing. Later in the newsletter there is a blank version of the report format so that you can get a clear understanding of how it looks. If you have any questions about it please talk to your child's teacher and they will be more than happy to talk you through it.
