## Thirsk Community Primary School

08.09.2017

Welcome back!

The first week back at school is always a really special time in the school year and it has been a real pleasure to welcome all the children over the course of this week. An especially warm welcome goes to all the new starters to our school. I sincerely hope that you and your children enjoy being part of our fantastic school and community.

Can I ask that we restrain from bringing in any **nut based products** in to school. We have a number of pupils, including one very severe case, who have allergies to nuts. Even a very small amount of exposure can have serious consequences. To avoid this from happening please can we check what the children are bringing in to school –especially with packed lunches.

Thank to you all for supporting the school by ensuring that your children are wearing the correct school uniform. This week the school has looked really smart and ready for learning. The assembly hall today looked like a sea of red and white! Over the year we will be reinforcing the importance of school uniform, we would prefer children to wear school shoes as opposed to trainers as we feel they offer better protection to young peoples feet as well as looking smarter. Also please ensure your child brings a coat for showery weather.

This year in school our big focus is going to be on reading –thank you for the photos of reading taking place over the summer. Over the coming weeks there will be a greater emphasis on ensuring that reading records are signed and returned regularly. Reading is one of the most powerful life skills and we all need to work together to ensure that all of our children can read fluently, with strong comprehension for both learning and for pleasure.

Finally our weekly celebration assemblies will be starting again next week –Friday 15th September, look out for slips being given out!
