Year Six SATS

Firstly well done to all of the Year Six pupils that took part in the SAT tests. Their attitude over the entire week has been incredibly mature and cannot be faulted. The tests at times have been challenging ,however the pupils have met each and every challenge admirably. Well done Year Six!

If you were in assembly this morning you may have seen that some of the pupils received a # compassion badge. Each week we are going to be taking a different school value and giving a weekly award to a member of each class that excels in that value. This week it was compassion, next week it is Perseverance. Our school values are Compassion, Respect, Perseverance, Enjoyment and Excellence. Well done if you received a badge.

Tony Swainston

On Thursday 25th May we have Tony Swainston visiting school. Tony is going to be doing some parent training about Mindsets. The training is at 6.00pm in the school Hall. Tony is an engaging speaker and the subject of Mindsets is very interesting . Please come along and listen –the session will last approximately 1hour.

Playground trim trail

Today we asked the children in assembly to not use the trim-trail equipment at home time. This is because we do not want the children to have an accident or get hurt. Please support us with this.
