Thirsk Community Primary School

15.09.2017

It's the end of a busy week at school and already the children have quickly got used to the routines and expectations of their teachers. This week began with a concert from the Thirsk Brass Band, who are looking for new members. Any child who is seven years or older is welcome to come to their practice/ rehearsal sessions where they will get a chance to join in. Look out for the leaflet about this, coming out with the children.

This week has also seen the start of our many and varied clubs. We are really proud of the extra-curricular activities that we have running this term –including a new Yoga Club. Please make sure that you know which door your child is leaving by. Most of the clubs dismiss either from the Hall or the Year 3/4 door -if you are unsure please check with the office.

Thank you to all the Year Six parents that attended the Year Six information evening, Mrs Turner said that she found it really useful to be able to talk to parents at the beginning of the year about some of the challenges of Year Six. As you will see in the box below Year Three are holding a 'Welcome to Year Three Meeting' next week. If you are a Year Three Parent please come along.

Can I remind parents to only use the school car park if there is a bay available. Parking is difficult at the best of times and often it is easier to park away from the school and walk in. Too many cars can make the car park dangerous for your children –thank you for your help with this.

Finally thank you again for your support with school uniform, the school as a whole is looking really smart. Uniform really does make a big difference, as the children feel more purposeful and ready to learn. This year we will be continuing to closely monitor uniform as we feel that impacts on the school in many ways.

Dear Parent/Guardian

Please visit this online form to consent electronically for your child to receive their flu vaccine in school this autumn. Children in reception, year 1,2,3 and 4 are being offered the flu vaccine this year.

<https://www.hdft.nhs.uk/services/childhood-flu-programme/>

This vaccination programme is in place to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

Please complete the online form (one for each child) by the end of September 2017. Please ensure you read and understand all the information before you complete the online form. Please visit <https://www.hdft.nhs.uk/services/childhood-flu-programme/> for more information about the flu vaccination.

The vaccination is free and recommended for young children, and will be given by a quick and simple spray up the nose. Please go to the website shown above which includes details about the small number of children for whom the nasal vaccine is not appropriate. Please ensure you read the leaflet that is enclosed before completing the online consent form. If you have any queries please contact the childhood Immunisation team on the above number or email address.

Last year, most children offered the vaccine in schools had the immunisation.
