Thirsk Community Primary School

05.05.2017

Firstly thank you to Mr Mountford for delivering training about CPR and how to use the defibrillator. The training was excellent and helped everyone to have a clear understanding of what to do. Hopefully Mr Mountford and the First Response team will be at the summer fayre where they will be able to give further information.

Year Six SATS tests

I would like to wish all of our Year Six pupils good luck for the test next week. Throughout the year the children have been working incredibly hard and have shown huge maturity to their learning. We would all like to wish them well next week.

Please note: BREAKFAST CLUB

Next week breakfast club will be in the school hall. It will be slightly different as all of the Year Six children will be having breakfast together each morning. Children coming to breakfast club will need to come in to school through the main entrance rather than through the side gate.

Defibrillator Training Session

A free training session provided by Thirsk Community First Responders in the use of the Community Defibrillator was of a great value. Staff and local residents learnt with ease how to open, operate and use the machine. Many thanks to Mr Mountford who took time out to provide this session.
