### Key stage 1 Fun Run

Well done to all the children that took part in the annual Key stage 1 fun run on Thursday. All the children tried very hard to run the course. Extra special congratulations go to the children that won medals, with so many children competing to win a medal it is a real achievement. Finally thank you to all the parents and grandparents that came along to help –with younger pupils we often need many pairs of extra hands, thank you for giving up your time.

### Flu Vaccination

If you are a parent of children in Reception, Year 1,2,3 and 4 your child is entitled to a flu vaccination. However you will need to complete the on-line registration. Please see the letter on the back page of the newsletter.

### Coats, jumpers etc

We are now starting to get slightly cooler mornings and children will need to wear their coats. Please can all parents make sure that your child's coat is clearly labelled with their full name. It is often the case that we have lots of very similar looking and similar sized coats, by simply taking the time to write their name in the label will help with reuniting the coat and its owner . Many thanks to those of you who have already done this.

### Attendance

Attendance has much improved over the last few weeks -thank you for supporting the school with this. As always over the year we will continue to track attendance very closely. This years school attendance target is in excess of 96.2%

### Weekly Attendance we are aiming for higher than 96.2%

Class	% attendance this week (all pupils)

Dear Parent/Guardian

**Please visit this online form to consent electronically for your child to receive their flu vaccine in school this autumn. Children in reception, year 1,2,3 and 4 are being offered the flu vaccine this year.**

**<https://www.hdft.nhs.uk/services/childhood-flu-programme/>**

This vaccination programme is in place to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

**Please complete the online form** (one for each child) by the end of September 2017. Please ensure you read and understand all the information before you complete the online form. Please visit <https://www.hdft.nhs.uk/services/childhood-flu-programme/> for more information about the flu vaccination.

The vaccination is free and recommended for young children, and will be given by a quick and simple spray up the nose. Please go to the website shown above which includes details about the small number of children for whom the nasal vaccine is not appropriate. Please ensure you read the leaflet that is enclosed before completing the online consent form. If you have any queries please contact the childhood Immunisation team on the above number or email address.

Last year, most children offered the vaccine in schools had the immunisation.
