### Book Swap Friday 2nd March

We are holding a book swap—the children can bring in a book they no longer read or need (in good condition, also not adult reading level books please). You can bring as many books in as you wish, however to start with to enable all children to get a book we ask that initially you choose one book to swap. If there are any surplus books then the children that have brought more than one book in may get a second chance to swap a book.

You are able to start bringing in the books from next week.

Many Thanks
