Welcome back

Welcome back to the second half of the spring term. Already it has been a busy week with many things going on in school. Firstly thank you to everyone that brought in a story box for World Book day. They were all fantastic with many really well thought out ideas! What was especially good about them was the way that the children were able to use the contents of the boxes to retell the stories to their friends and in some cases to children in other classes. From a learning point of view, and from the point of view of inspiring reading this is very powerful.

Tesco's and the defibrillator Project.

Both of these projects are well underway. The defibrillator and its protective case have now both arrived in school and shall be installed shortly. As soon as we have a date for the installation we will arrange training. We hope to get as many people as possible involved in the training.

The final designs for the Tesco grounds project have now been finalised and the tree where the bike park will be has been cut down. We are looking to have the new equipment installed at the beginning of April –ready for the summer term.

Punctuality

Please can everyone make a huge effort to get children to school on time. Children should be in school and ready to start learning at 8.50. Over the last few weeks the number of pupils arriving to school late has increased. Learning really does start at 8.50 and arriving late can be stressful for the children as well as disruptive to the other children that are here on time. I will be monitoring the situation to make sure that this does not continue. Thank you to everyone that does ensure that their children are here on time.

Afterschool Club

Please be aware that as of after half term, Mrs Millward will no longer be managing the After School Club.

Mrs Norfolk will be the new After School Manager, assisted by Mrs Hudson and Mrs Cooke.

World Book Day

Many thanks to everyone who participated in World Book day by bringing their 'Book in a Box' or 'Story in a Sack!' They have created inspiring displays in all the classrooms and really got the children talking about stories and telling them expertly with their props. Yesterday, each class voted for their favourite 3, and the whole school voted for their favourites this morning by secret ballot. Winners will be announced on Monday. Many thanks to all the parents and relatives who helped the children create such imaginative entries to the competition. From sprouts to wooden spoons, they were truly amazing!
