Understanding your child's report

The ticked boxes on the left hand side of the report indicated attainment and effort. These show how attainment compares to the national standard and how much effort your child is making compared to other children of a similar age.

Key to effort and attainment judgements					
Attainment			Effort		
Working towards the National Standard	Working at the National Standard (EXS)	Working above the National Standard (GDS)	Effort at times is variable	Consistently making a good effort	Making an exemplary effort
