Hi 5s

Well done to all the pupils that took part in the high-five competition. Hi 5's is a game that is similar to Netball with teams that consist of 5 players that have to rotate positions every game. The group of pupils played exceptionally well and were unlucky not to come away with a medal.

Year Two SATs meeting

Thank you to those parents that came in to school earlier in the week to meet with Miss Cullis and Miss Shepherd to hear about Year Two SATs. If you were unable to attend the meeting and have children in Year Two speak to either Miss Cullis or Miss Shepherd and they will be able to tell you what to expect or alternatively visit the school website (School Information/Assessment and Age Related Expectations/ How we are assessing our pupils) In the online leaflet there is a link to a youtube video that will talk through the main points. If you have children that are in another year group there is an outline of what your child should be able to do by the end of each year –well worth a look.

World book day

As you may know, this year we are moving away from dressing up for world book day (Thursday 2nd March). Instead we are going to be asking children to bring a story in a box –so over the holidays try getting your son or daughter to put together a few items that would help them to retell a favourite story. We are really looking forward to seeing how this works and we're hoping it will inspire others to read some of the books that they hear about. If you would like more information speak to Mrs Wilson.

Finally we are saying good bye and good luck to Mrs Price. Mrs Price has been working as a PSA in the school's EMS. Mrs Price has been fantastic at working with many different children and families. We wish her luck in her new role in Ripon.

Afterschool Club

Please be aware that as of after half term, Mrs Millward will no longer be managing the After School Club.

Mrs Norfolk will be the new After School Manager, assisted by Mrs Hudson and Mrs Cooke.

Threadworm Advice

There have been several cases of Threadworm reported in the local area, for more information on this infection please go to

<http://www.nhs.uk/Conditions/Threadworms/Pages/Treatment.aspx>

If your child has threadworm infection, it is not necessary to stay off school, however it is important to inform your child's school so that they can take the steps to limit the spread of infection.
