

Simply Amazing!!!!

Last Sunday saw an amazing day for Thirsk Community Primary School at the North Yorkshire Sport School Games finals. The event was held at St Margaret's School near York and was attended by over 700 pupils and their families, who had travelled to the event from all over North Yorkshire.

The opening ceremony saw Year 6 pupil, Jessica B, being presented with the medals, that she had designed especially for this event, by former Olympic and Commonwealth Gymnast Craig Heap. Jessica had won a countywide competition to design the winning medals for this event.

The Year 3 and 4 Hockey tournament started later in the morning. Having lost their initial game against Lakeside Primary School (York Champions) TCP, who were representing Hambleton, beat teams representing Harrogate, Rydale and Richmondshire. This led to a nail-biting few minutes where the initial defeat at the beginning of the day could have led to TCP not progressing further in the competition. However results from other groups meant that TCP finished as the highest placed runners up. This led to a semi-final play off against St Wilfreds school, (also from York) before the grand final against Lakeside; who had already beaten us at the beginning of the day. An outstanding game of Hockey took place which ran into extra time and 'sudden death' with a fantastic goal being scored by Matthew W to steal victory.

Thank you to all the parents and families who gave up their Sunday to come along and support the event and to Mrs Trenholme for all the work in organising the many logistics for this event—a magical day!

Where the music takes us...

Well done to all the children that took part in the Where The Music takes us event at the Harrogate Ladies college. The pupils from Mrs Holmes class travelled to the event to sing. Well done to everyone involved.

Cyclists

Can I please further remind everyone that comes to school on a bike or scooter to push them whilst on the school site. Several near misses have been reported to me. We would really like to avoid an incident where someone gets hurt. Can I also remind everyone about the importance of wearing a helmet.

3/4W	93.5
5BC	92.9
6T	100
6P	98.2
Total	94.8

EVERY SCHOOL DAY COUNTS

Every Minute Counts

LATENESS = LOST LEARNING

(Figures below are calculated over a school year)

5 days absence over the whole year
97% - 100%
Good chance of success and progress

20 days absence over the whole year
90%
Last chance of success. Harder to make progress

20+ days absence over the whole year
Under 90%
Detrimental to success and progress

5 Minutes late each day 3 days lost!
10 Minutes late each day 6.5 days lost!
15 Minutes late each day 10 days lost!
20 Minutes late each day 13 days lost!
30 Minutes late each day 19 days lost!

"In the line for ten to nine!"

flu: 5 reasons to vaccinate your child

1. **Protect your child.** The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
2. **Protect you, your family and friends.** Vaccinating your child will help protect more vulnerable family and friends
3. **No injection needed.** The nasal spray is painless and easy to have
4. **It's safer than flu.** The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
5. **Avoid costs.** If your child gets flu, you may have to take time off work or arrange alternative childcare

What should I do?
Contact your GP if your child is aged two or three years old and you haven't heard from their GP by early November. If your child is at primary school and is eligible, the school will send you a consent form. Please sign and return it. If your child has a health condition that puts them at greater risk from flu, they are also eligible for the flu vaccine.
