Dear Parents and Carers

Thank you so much for your help and support with reading at home. Already we can see the difference this is making –the progress children are making is already showing. Part of our commitment to reading is the redevelopment of our school library. The PTA has worked tirelessly to help with redecoration and fund raising for books and the library is due to be redecorated and re-carpeted with help from Firmenich UK in early October. We have also been very fortunate to secure some extra funding in the form of grants totalling £13,000 from The Foyle Trust and Mukherjee Trust.

Now we would love your ideas...

We are asking families for suggestions for books that you would like our library to have. This could be a favourite children's story or a favourite children's author. We would also like your views on what else you would like our school library to offer. For instance this could be story sessions or opening the library after school for families. Please fill in the slip below and return to school. If these could be returned by 7th October we can start looking at the types of books suggested.

Yours sincerely

Mr Chandler

Please return to school
