

Parent Survey

Thank you to all the parents and carers that have already completed the parent survey. The feedback that we get is really useful and helps us to plan for the future. The survey will continue to run until the end of the half-term break.

Harvest Festival

Thank you for all the donations for our Harvest Festival. These will be carefully divided up and given to the local foodbank. We know the important role that these charities have played over the last few years so it is good that this time of year we are able to support them.

Girls football

A huge well done to the Year 5/6 girls football team. The squad of nine girls went up to the high school to take part in the football tournament winning 5 out of their 6 games and finishing second. It was a great afternoon with everyone showing fantastic team spirit.

Covid

We are aware cases are rising in our area and we will be keeping a close eye on the data. Can we please continue to social distance. If your child has any symptoms they will require a negative PCR test before they are allowed back to school. We will continue to monitor cases and government advice for social activities on our return after half term.

Miss Gloag

Best wishes and good luck goes to Miss Gloag who, over the half-term holiday is getting married. We wish the happy couple well and we will find out after the break whether we will be calling Miss Gloag by her new name – fingers crossed for good weather.
