

## Newsletter

Well done to all of the pupils in Year 6 that took part in Cycling proficiency over the last week. Despite having to dodge quite a few showers all the pupils that have been involved have really enjoyed the experience and hopefully learnt a lot from it.

## Covid Update

On Thursday we have received our latest Covid Guidance from North Yorkshire County Council, as things currently stand there are not many significant changes to for primary schools. The most significant is that school can begin to undertake residential visits subject to an appropriate risk assessment. For the time all measures that have been put in place will need to continue to be maintained. Where pupils travel overseas they will now be subject to national quarantine regulations. If this effects you please inform school at the earliest opportunity. Again please be mindful that current plans are subject to any local or national changes.

## Reading at Home –everyone, every night

A huge thank you to all the support that is given to children with their reading. Everyone, every night continues to make a huge difference to children's reading ability. Where we have concerns Mrs Wall our reading lead will continue to follow these up. Please continue to help your child to succeed through hearing them read daily.

## Dates for your Diary:

### May

21st Group 3  
Bikeability

28th PTA Ice Cream  
Van

28th Break up for  
Spring term
