

## Return to school next week

We are really looking forward to welcoming all pupils back to school on Monday. Hopefully you have had the chance to read through last week's newsletter which outlined the arrangements. If not, last week's newsletter is on the school website in the news section. Please can I remind everyone to take great care to maintain social distancing whilst lining up outside the Children's centre at the beginning of the school day. Maintaining Social distancing is equally important at this time of the day too. If your child walks to school by themselves please stress the importance of this. Can I also remind everyone to take great care whilst in the school car park. If you are a pedestrian please access the school using the footpaths rather than crossing the car park. If you are dropping someone off -please can park in a bay. If there are no bays available you will need to find another place to park. We are really looking forward to return of all pupils and a more normal school life returning. Until the Easter holidays there will be no after school or before school clubs. However, we will be planning and organising clubs and activities for after the holidays.

If the school has had a lent you a laptop please can these be returned to the school office from Monday 8th March.

## World book day

Well done to everyone that took part in World Book Day –it was great to see lots of different photos of how world book day was celebrated at home! A huge well done to everyone that got involved.

## And finally...

A huge well done to all the parents and carers at home who, over the last 8 weeks have stepped up and taken on the role of teacher and supported home learning in the best way that you can. We are grateful for all the effort and support that you have given your child with their learning. A huge, sincere thank you from us all at school.

## Dates for your Diary:-March

- 8th School re opens to all pupils
- 11th Time to shine cricket
