Dear Parents and Carers,

Today we have been finalising the arrangements for those children of families who have a parent/ carer that is a critical worker. **Can I please remind everyone that the we aim to provide support for families where you are unable to have your children at home in order for you to carry out your critical role.** To keep both adults working in school and children safe we need to keep the numbers of people in school as low as possible. If you are unable due to your critical role to keep your children at home or you have been identified as vulnerable please make sure you have read the following update for children coming to school.

Year 3+4 8.55-9.00 drop off point – Kitchen gate
