

Please be aware that schools have been asked by Public Health England to assist with **contact tracing where necessary for the first 6 days of the school holiday –Friday 26th March to Thursday 1st April**. This will allow enough time for positive coronavirus (COVID-19) cases to be identified and confirmed by a test and for relevant contacts in the education setting to be traced.

Where a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms **more than 48 hours since being in school, the school should not be contacted.**

Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

For the first 6 days after teaching ends, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms **within 48 hours of being in school**, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.

School staff are not asked to remain on-call or conduct any contact tracing more than 6 days after the final day of teaching.

If this does affect you during the first part of the Easter holidays, please contact Mr Chandler via the following email address: **covidalert@thirsk-pri.n-yorks.sch.uk**

Please within that email provide your child's full name, which class they are in, when they started showing symptoms –what the symptoms are and a contact number. Please be aware that the email address will be checked daily between 9am and 10am each day up until Thursday 1st April.

Please also be aware that a positive test within your child's bubble may mean that your child has to isolate over the Easter holiday period.

Community Trail

This is an update about the community trail –please read

This is **community activity** that has been created very kindly by the Thirsk Yarnbombers as a **community activity** for families to do during the Easter holidays.

This is **not** a school event organised by Thirsk Community Primary School. **The school takes no responsibility for individuals who take part in the trail.** This is an optional community activity that families can choose to take part in over the Easter holiday. COMMUNITY TRAIL

24.3.21

Dear Parents and Carers,

The Thirsk Yarnbombers have kindly created an Easter holiday community trail. The trail starts in the centre of Thirsk. The starting point is outside of the White Rose Chip shop (see the picture below). You need to follow the clues to locate the posters and write down the **number of white knitted roses** that you find on each poster. (Fill in the chart before following the clues to the next poster). Copies of the clues and sheet to fill in will be sent home with the children. We will also put a copy of the clues for the community trail on the schools Facebook page. When you have counted all the Roses add them together and bring them to school after the holidays. We have been kindly donated some prizes by the Coop that will be given to people that count the correct number of white knitted roses.

Please be aware that:
