

Equality Scheme

**Three year period covered by this scheme:
2020-2023**

1.1 Purpose of the Equality Scheme

This equality scheme is the school's response to the specific and general duties in the current equality legislation. It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity as set out in the North Yorkshire County Council's Equality Policy Statement:

“we oppose all forms of unlawful or unfair discrimination, whether because of race, colour, ethnic or national origin, sex or gender reassignment, marital status, family status, sexuality, religion or beliefs, disability, age or any other condition or requirement which places a person at a disadvantage and cannot be justified”.

This Equality Scheme sets out how the school will:

- eliminate discrimination;
- eliminate harassment related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others.

This document provides, therefore, a scheme which embraces for our school a Race Equality Scheme, a Gender Equality Scheme, a Disability Equality Scheme and the school's Equality Policy. It is reviewed every three years and reported on annually.

An action plan accompanies this Equality Scheme which is renewed annually. In line with this Equality Scheme, the action plan sets out the equality and diversity objectives for the school which have been identified as a result of the school's equality impact assessment in line with this equality scheme and facilitated by the **Inclusion Quality Mark** audit tool.

This action plan embraces the Accessibility Plan for the school as it sets out how the school will increase access to education for disabled pupils in the three areas required by the planning duties in the Disability Discrimination Act:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.

This action plan is available from the school's main office. It is available in different formats and in different languages on request to the school office.

1.2 Equality Legislation

This equality scheme responds to the current equalities legislation:

- Race Relations Act (RRA) 1976/2000
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;
- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007
The Act sets out that it is unlawful for schools to discriminate against a person:
 - a) in the terms on which it offers to admit him/her as a pupil;
 - b) by refusing to accept an application to admit him/her as a pupil, or
 - c) where he/she is a pupil of the establishment:
 - i) in the way in which it affords him/her access to any benefit, facility or service,
 - ii) by refusing him/her access to a benefit, facility or service,
 - iii) by excluding him/her from the establishment,
 - iv) by subjecting him/her to any other detriment.
 (There are specific exemptions for faith schools.)
- Disability Discrimination Act (DDA) 1995/2005
statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;
- Education and Inspections Act 2006, duty to promote community cohesion.
By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as:
"working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of

people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."

What kind of a school are we?

2.1 School Vision and Values

The school's vision and values statement reflects the school's ambitions for all its pupils. It refers to the key requirements set out in the National Curriculum Inclusion Statement for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils' diverse learning needs; overcoming potential barriers to learning and assessment for individuals and groups of pupils.

The school statement also embraces the North Yorkshire Inclusion statement which emphasises that individuals and groups of learners who may be vulnerable to exclusion, marginalisation and underachievement are identified and receive targeted provision to ensure their presence, participation and achievement.

2.2 **School Context**

The nature of the school population and context to inform action planning for the equality scheme:

- The school is situated in an area of significant need – as identified in the English Indices of Deprivation 2019
- A Hygiene Room is situated opposite reception as you enter the school
- A ramp provides disabled access to two external classrooms
- Main entrance to school has been ramped to allow disabled access
- There is one fully disabled toilet with wider door opening and rails. All other children's toilets are accessible for children who have disabilities e.g., automated lighting, no additional steps
- There is additional lighting to external paths on the school site
- Additional classroom support is provided for children with additional needs in school to support full access to the school's curriculum
- There is a Nurture group provided for those children who require additional support based on their Social and emotional health
- The school has a number of pupils with English as a second language as well pupils from the Traveller Community
- Racist incidents are logged by the school and reported to the Local Authority
- The school has pupils where there are potential barriers to learning these include pupils that are visually or physically impaired. Pupils where language or communication is a barrier. Pupils with moderate learning difficulties and pupil who have Autism Syndrome Diagnosis
- There are 73 pupils identified in receipt of the Pupil Premium

- The recruitment of staff, their development and retention in line with the local authority's equality recruitment policy
- The school regularly monitors and supports children positively with respect to gender, ethnicity, disability, faith background, and aspects of vulnerability identified by the school including:
 - analysis of end of key stage results
 - achievements on extra-curricular activities
 - attendance data
 - exclusion data
 - participation on school trips
 - participation in extended school activities
- Assemblies are based on British Values which address needs within the school and local community

The school plans all on-site and off-site events, as well as day-to-day provision, bearing in mind a range of reasonable adjustments. Examples of these include provision, use of tinted backgrounds and coloured overlays. When developing the site, the Governors plan carefully for the future, ensuring full access to all areas.

The school has reported 3 racist incidents in the past 3 years.

There have been 12 day fixed-term exclusions in the past 3 years' and this has reduced to 3.5 day fixed-term exclusions in 2019-20.

Thirsk Community Primary School is committed to equality of opportunity for all – this is demonstrated in all appointments, pay, performance management, induction and professional development, and disciplinary processes.

As supported by OFSTED in 2018, it was stated that Leaders clearly identify the needs of pupils who have special educational needs (SEN) and/or disabilities. The special educational needs coordinator (SENCo) keeps a close eye on the progress of these pupils, furthermore Leaders actively promote the spiritual, moral, social and cultural development of pupils

Performance data is analysed at least annually, through use of RAISE Online. Also, the use of FFT supports the leaders to create targets for specific children. Current results indicate no trends in performance to raise concern through gender, ethnicity, faith background or other aspects of vulnerability. However, the school does track attendance very closely due to having a significant number of pupils being recognised as persistent absentees.

Pupil premium groups are assessed by SLT as priority to narrow the gap in their attainment. This is fed into pupil progress meetings to ensure these pupils have targeted support in every lesson.

3.1 Involvement Processes

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school gleans insights into the barriers faced by people from different social identity backgrounds and learns the best ways to overcome such barriers. This Equality Scheme will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;

- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

- Exit interviews with pupils;
- School council;
- Individual interviews with pupils involved in incidents of a discriminatory nature;
- Individual interviews with pupils experiencing reasonable adjustments;

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme and action plan:
