

Please check your emails to give permission for the Eco Enrichment week, we still have a lot of pupils who have not given consent.

Fund Raising for Ukraine

On Friday, 25th March we are going to be raising money/ donations for Ukraine, please can children come to school in the colours of the national flag of Ukraine –yellow and blue and bring in a donation. Our understanding at this point is that donations of money is the most effective way of supporting, as this allows charities working on the ground to purchase what is needed at that time. All donations will go to the Red Cross, Ukraine Crisis Appeal. However you are able to drop any of the below needed items at school :-

Items still required:-

Painkillers Colouring books and pencils
Bandages Blankets/duvets/sleeping bags

Value of the week....#Respect

Well done to all the pupils that were our value champions of the week and those pupils who were the Power Literacy and Power Maths Champions. It is great to see so many pupils working so hard with their learning.

Arriving at school

If your child walks without an adult to school, please can I remind you that the school gates open at 8.40am each morning. Please can I stress that children arriving before this time at the gate are not supervised by the school. I have been made aware of a very small minority of pupils arriving very early. Where pupils are not behaving safely we may contact parents to ask that they are brought to school by an adult. A huge thank you to the overwhelming majority of pupils that do walk to school sensibly and arrive at the right time for school.

Covid

Although the restrictions that we all lived with during the height of the pandemic have largely been lifted, please be aware that Covid has not gone away. In school we currently have a number of pupils that have tested positive. Guidance asks that if your child is showing any of the main recognised symptoms of Covid please take a PCR test and then if necessary isolate. The period of isolation can be reduced to 5 full days following negative lateral flow tests on day 5 and day 6.
