

Well done footballers

Yesterday afternoon a team of Footballers from Year 5 and 6 went to compete in the cluster football competition. The team competed against local schools and pulled off some great results. At the end of the afternoon the team finished a very respectable 4th place. Well done to everyone that took part.

Community Centre gate closed Tuesday –Thursday

Next week Year six pupils are heading off for the annual residential visit to Bewerley Park. We hope that they have an enjoyable trip and the weather is good. Whilst Year six are away we will only be having one gate open in the morning. This will be the gate by the children's centre with the community centre gate remaining closed. At the end of the day both gates will be open as normal.

Parking

Please can we ask if you are dropping children off or collecting, to park as considerately as possible please and do not block the pathways into school, as many parents have toddlers and pushchairs.

Thank You

Head Lice

Please be aware we have had a few cases of Head lice within the school, please check your child's hair accordingly.

Thirsk Community Primary School

September 2019

Dear Parent/Guardian,

Protecting Children Against Influenza (Flu) and Complications

The nasal influenza vaccination is being offered to all children in Reception-Year 6. Our team is scheduled to visit Thirsk Community Primary School this Autumn as part of this programme. If you would like your child to receive this immunisation, please ensure your consent form has been submitted no later than **20/09/2019** - if you submit your consent form after this date your child may be missed at school.

Please see below for details of how to consent for your child and answers to common questions about the influenza vaccination programme.

How do I give my consent?

1. Go to www.hdtf.nhs.uk/flu-consent
2. Click on the link in the grey box which says "Click here for the online consent form."
3. Enter the School Code 121365 and click "Find School".
4. Complete the form with your child's information and parent/guardian contact information".
5. Click the green "Submit" button.

"If you provide a valid email address you will receive an automatic email confirmation to say your form has been submitted. We will also email you to let you know that your child has been vaccinated in school. If your child has specific medical requirements, one of our nurses may need to get in touch before we are due to visit school. We never pass on your contact information to third parties.

Why is the influenza vaccine being offered?

This vaccination programme is in place to help protect your child against influenza (flu) and stop the spread of the virus within schools, families and the wider community. Influenza is an unpleasant illness that can lead to school absences and sometimes causes serious complications requiring hospitalisation. Vaccinating your child doesn't just protect them - by helping to stop the spread of influenza this winter they will also be protecting vulnerable friends and family of all ages.

Carlton Lodge presents
our family friendly...
