

## Welcome back

We are now in the final half-term of the school year and fingers crossed that we will be able to continue to do more and offer more as restrictions ease. This week it was a real pleasure to be able to see our Year Six pupils go on their countryside day visit to Duncombe Park. Over this term more Year groups are planned to go on visits including the PTA sponsored walk. We still do have to be cautious and currently the vast majority of controls remain in place.

We are still hopeful that some of our events such as Sports day and the leavers performance will be able to happen. However, we are governed by both national restrictions as well as guidance set out by the local authority. I am sure that within the next week we will have a clearer understanding of how this will effect what we are able to plan. Can I also remind everyone that the out of hours Covid email address is still in place this is for positive test results outside of the working school week. This is [covidalert@thirsk-pri.n-yorks.sch.uk](mailto:covidalert@thirsk-pri.n-yorks.sch.uk)

Breakfast club is re starting on Monday 14th June, if you are interested in using this service please contact the office, booking is essential.

On Monday class photos were taken, this year these were done outside –on the school grounds forming a good backdrop. Details of how you can buy them will be sent home.

Well done to all of pupils that were our value champions of the week #Respect
