S.T.E.M, Language & Culture Enrichment Week 26<sup>th</sup> – 30<sup>th</sup> April 2021

Thirsk Community Primary is excited to announce our alternative curriculum week which supports the STEM, Language & Culture education programme.

We have arranged some exciting activities throughout the week for the children to participate in – please see the programme below. We are asking for a voluntary contribution of £5.00 to help us cover the additional costs associated with the whole week's activities. It is essential we gain the maximum voluntary contributions to enable these events to continue.

A consent slip for participation will be sent out via Eschools. Please note 1B, 2L The Hive and SSR will need to complete these ready for the activity on the 30<sup>th</sup>.

**Please see the link for more information on the activities planned for your child on the Teach Rex day.**
