

Welcome Back

It has been a pleasure to welcome the children back to school this week. Already we are quickly back to normal routines, it has been lovely to see so many children working hard with their learning. Today, for most pupils, you will have received your child's end of spring term report. If you have any questions relating to reports, please speak to your child's teacher. The final report will come out towards the end of the summer term and will summarise your child's learning over the summer term. We hope that the termly reports help you to understand how your child is progressing at school on a more regular basis.

Attendance

Good attendance at school is really important. Over the last two years children's school attendance has been severely impacted by the pandemic. So, it is all the more important that attendance at school is good. Often during the summer term we receive an increase in requests for term time leave, please be aware that these will only be granted where it is truly exceptional. Please be aware that when pupils are taken out of school during term time, and it is not authorised this could result in a fine. Thank you to all parents and carers that ensure that children have good attendance at school, missing school does have a significant impact on learning.

School Values

At school we have our 5 School values: Compassion, Perseverance, Respect, Enjoyment and Excellence. Each week in assembly we celebrate pupils who have really demonstrated the value of the week. This week the value has been Compassion. Well done to all the pupils that have demonstrated this value and have been awarded a values badge.
