

## Dear Parents and Carers

We are finally heading to the end of an eventful week in school.

Our Year 6 pupils have been away on their Residential Visit to Peat Rigg outdoor center near Kirbymoorside. I am sure that on their return there will be lots of very tired pupils and staff –a huge thank you to all the staff that have enabled this trip to take place.

This week we have had our Sports enrichment week. It has been a fantastic week with lots of different sports taking place, these included Fencing, Skipping, dancing, climbing and scooting -as well as several others. It has been a really positive week with the children really enjoying the different sports.

## Covid

As you will no doubt be aware the number of cases locally and nationally has significantly increased over the last few weeks. At school we will be continuing with all the measures that we have in place to restrict the spread of the virus. However, please be aware that if there is a positive case within a bubble this will lead to the closure of the bubble. Depending on the exact timing between the onset of symptoms/ positive tests this can be ten days. During those 10 days all members of that bubble will need to isolate. Please continue to be very mindful whilst on school site, maintaining good social distancing as much as possible.

Thursday 22nd , your child's books will be sent home, please ensure they bring a carrier bag into school.

**Please be very vigilant with your child, if you do suspect that they are feeling unwell please exercise caution and if possible organise a test.**
