

Harvest Festival

Thank you for all the kind donations that have been made for Harvest Festival. These will be divided up and sent out to the different groups and charities that you have identified. These donations really do make a difference to those that receive them and are very gratefully received.

Mobile Phones

Over the last couple of week we have had a number of incidents involving pupils bringing mobile phones to school . Please can I stress that pupils are not to bring a phone to school.

Well Done Cross Country

A massive congratulations to Skyla Beales who attended the Cross Country Finals yesterday and is now competing in the North Yorkshire County Finals in November—Well done and Good Luck !!

Governing Body

Would you like to become involved with our school governing body? The school governors meet on a monthly basis and work to support school improvement. If you are interested please speak to Mr Chandler for more information.

Attendance

We are having a real focus on school attendance over the next few months. This is because attendance for some of our children is beginning to become a concern. Where there is a pattern of low attendance this will be followed up by school. Thank you to everyone that ensures that your child has good attendance and is on time for school each day.
