

Welcome Back!

We are in the final half-term of the school year and already beginning to wonder where the school year has gone. Thank you again to the parents/ carers that attended the sports day events –they were excellent and even the weather played its part too!

Allergies

Please can I remind everyone to be very cautious around products containing nuts. We have several pupils who are highly allergic to products containing nuts. This is especially important when your child goes on a school visit and has to bring in a packed lunch.

Trip to Saltburn

This week pupils in Keystage One went on a visit to Saltburn. During the day children visited the beach, walked along the pier and travelled on the miniature railway –well done to Miss Cruickshank's class that came back and told us all about it in their fantastic assembly.

Freddie's Fight

Well done to Freddie, Emily and Scarlett in 3/4 W for raising money for this worthy charity. The children used Viking weaving skills to make braids and bracelets that they sold after school on Monday raising nearly £100. A super effort from everyone involved

Attendance Matters

Please be aware that during the remainder of the summer term we will be carefully monitoring children's attendance and punctuality at school. Where attendance is low due to unauthorised absences we will be holding attendance meetings with parents and carers. Please also can you be aware that term time holidays should be avoided and you may be fined. Poor punctuality and attendance hinders learning significantly.

EVERY SCHOOL DAY COUNTS

0 days off school	100%	Perfection	1 day absence over the whole year
Equates to 2 days off school each year	99%	Excellent	97% - 100% Good chance of success and progress
Equates to 5 days off school each year	97%	Good	20 days absence over the whole year
Equates to 10 days off school each year	95%	Slight Concern	90% Last chance of success Harder to make progress
Equates to 20 days off school each year	90%	Concerned	20+ days absence over the whole year
Equates to 30 days off school each year	85%	Very Concerned	Under 90% Detrimental to success and progress

Every Minute Counts

LATENESS = LOST LEARNING

(Figures below are calculated over a school year)

5 Minutes late each day	3 days lost!
10 Minutes late each day	6.5 days lost!
15 Minutes late each day	10 days lost!
20 Minutes late each day	13 days lost!
30 Minutes late each day	19 days lost!

"In the line for ten to nine!"

After School Club Shout Out

If anyone has any spare or unused toys, dolls or board games, the after school club would be grateful for any donations. Thank You

Pat Turner

Oakley Butcher 1L for being a fantastic role model on our school trip. He followed every instruction and was a kind friend and he had a huge smile on his face for the whole day.

Isobel Hilton 3/4A for having great enthusiasm in everything she does, particular topic. She goes the extra mile with topic homework. Isobel is always a kind and considerate member of our class.

Celebrating 60 Years of Thirsk School

Thirsk School first opened in 1957 / 58. It has seen 60 years of "leavers". Our aim is to take a trip down memory lane and to get as many "old" boys and girls back to their school.

- Enter a boy or girls sports team from your old year group
- Can you provide something to support the day?
- Can we generate a photo of a leaver from every year the school has been open?
- Bring old photos, mementoes and stories to share with young and old.
- Family Area
- Music Performance
- Sports Tournament
- Tour of the school
- Business Friends Meeting
