

Thirsk Community Primary School

This week has been an especially busy but exciting week here in school with Christmas in full flow... including Christmas Den building!

Firstly thank you to the PTA for the work that they have put in to the various different events that they have organised -including a slightly chilly, but very atmospheric, carols by torchlight concert earlier in the week. Thank you to all the families that came along to this event and especially to the members of the Thirsk Royal Legion Band -including some of our pupils that performed as part of it.

The school hall has been packed to the rafters at the various different Christmas performances over the last week. Again thank you to everyone that has taken time out of their busy schedules to come along and support their children. We hope you have enjoyed the performances as much as the children have enjoyed doing them.

Finally well done to all the children that were chosen as the pupil of the term. As always this was a lovely occasion to celebrate lots of the good work that has taken place over the autumn term. Next Friday is the annual Christmas Carol service at St Mary's Church. This begins at 10.00am and all parents/ carers are welcome to join us. As always we are needing volunteers to help walk the children down to the church.

Can you help?

Have you any old footwear taking up space at home? Mrs Wilson is looking for a few old shoes and boots which you no longer need to use them for a display in school. Any item, in any size and state of repair, from a baby's bootee to old wellies or a work-man's boot, everything would be gratefully received.

Please send any items to school with your child

Read on for the adventures of the Christmas elf

December

18th	EYFS Xmas Party
19th	KS1 Xmas Party
	Yr5-6 Xmas Party
20th	Yr3-4 Xmas Party

Christmas fun –the adventures of Brandybutter Elf

Brandybutter has been taking selfies and playing with the cards in 5BC !

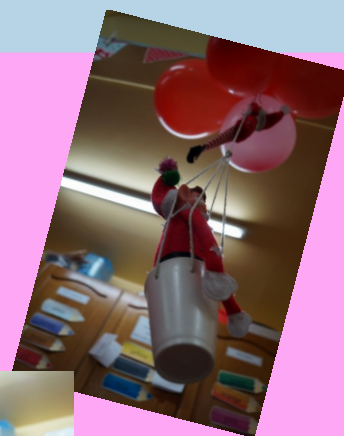

Brandybutter helping in the kitchen !

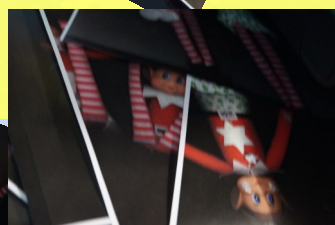

She has even brought a friend to help her on her adventures !

She has been flying high with her friend in 1/2S

Where and what will she do next week ????

Den Building
