

Tag Rugby

Well done to all the pupils that took part in the cluster Tag Rugby competition on Thursday afternoon. Despite the chilly conditions, there was some fantastic Tag-rugby played with TCP winning nearly all their matches to finish up as runners up in the competition. Well done to all the children that took part.

School Council

This week the school council met. In the meeting they discussed what they like about our school –one think a lot of them agreed on is the number of different clubs. The school council also chose two charities they would like the school to support this year. They agreed to support one international charity that provides food to Africa and a local food bank in Thirsk. Later in the year the school council will be holding an event for these charities.

Dear Parents/Guardians,

Re: Arrangements for school closure due to heavy snow

We just thought we would remind and clarify the arrangements should we need to close the school at short notice due to heavy snow.

We have several methods of communication available to advise parents that the school will be closed for that day;

- The school website: <http://www.thirsk-pri.n-yorks.sch.uk/website>
- E schools message
- BBC Radio York
- NYCC Website <https://www.northyorks.gov.uk/school-closures>
- Thirsk CP School Facebook page

We shall aim to do this by 8.30am, but there may be circumstances which make this difficult to guarantee.

Please note that we will monitor the situation daily and repeat the process each morning, if necessary, if the school remains closed, if you hear nothing please assume school is open

If it is deemed necessary to close the school early during the day, the same methods of communication will be used.

The E schools messages are dependent on correct email addresses and mobile numbers. If you need to update your contact details or would like to check that we have the correct details, please ask at the school office.

Yours faithfully,

 Mr R Chandler
