

Thirsk Community Primary School

It has been a busy week in school! Well done to all the children that took part in the Change for Life event at the High School and also to all of the Reception children that took part in the Autumn Walk. Thank you to all the parents that came along to support the Autumn walk -without you giving up your time and coming along to help it wouldn't be possible.

This week, we have been supporting all the children in improving the environment in our dining hall. Please could we ask parents to help support our younger children in learning how to open crisp bags correctly and to use a knife and fork to cut their food? The children have worked really hard on this during the week and many more of them are now much more independent in these tasks.

Bewerley Park

Welcome back to all the pupils and staff that went on our annual Bewerley park visit. Over the last few days lots of stories of the exciting activities the children have participated in have crept back to school. I would like to thank all the parents for supporting this trip financially and also to the staff who have given up their week to make this trip happen.

Parents Evening

This week was parents evening and it was lovely to welcome many of you in to our school. If you haven't yet had the chance to see your child's teacher please do make an appointment. This can be done either by speaking directly to the class teacher or through the school office.

Holiday dates

Please only get holiday dates from the school website or from the NYCC school holiday website. It has been brought to my attention that there are other websites that list Thirsk Community Primary School term dates that are not accurate.
