

Get Well Soon Mrs Wilson

As you may be aware Mrs Wilson has not been at school for a number of weeks. Currently Mrs Wilson is undergoing medical treatment. She has had an operation and has recovered well and is now undergoing further treatment. We look forward to welcome her back to school later in the year. Mrs Wilson is missing everyone at school and can't wait to get back to see everyone. We wish Mrs Wilson good luck and hope she makes a quick and full recovery.

Keeping Safe

Please can I remind everyone that we ask that pupils wear helmets when cycling or scootering to or from school. If children do come to school on a bike or scooter please carefully store them in the bike area –I know it is a busy place at this time of year. Please also can bikes and scooters be pushed whilst on site. We have had a number of near misses and would not like anyone to be hurt or injured.

Attendance Matters

Please be aware that during the remainder of the summer term we will be carefully monitoring children's attendance and punctuality at school. Where attendance is low due to unauthorised absences we will be holding attendance meetings with parents and carers. Please also can you be aware that term time holidays should be avoided and you may be fined. Poor punctuality and attendance hinders learning significantly.

Speed

Please can all parents/carers/grandparents etc take note of the speed limit within the school grounds. We have had numerous complaints of excessive speed and near misses, this includes drop off and pick up at Breakfast club and After school clubs.

Parking

Please do not park in the Disabled space . We have numerous complaints that non disc users are parking there and causing distress to genuine badge users.

After School Club Shout Out

If anyone has any spare or unused toys, dolls or board games, the after school club would be grateful for any donations. Thank You
