

It is the end of another busy and productive week at school. There has been lots of hard work and creative learning taking place. Well done to everyone that has brought reading books everyday, we are continuing to really promote reading throughout our school.

Covid-update

Please can I continue to remind that anyone displaying symptoms: Loss of smell or taste, high temperature or persistent cough should not attend school and everyone in the household should isolate and arrange a test. **Please inform school immediately of any test outcomes.**

Home Learning

Last week we sent out a letter regarding home learning. If you have not returned this to school please can you do so as soon as possible. We are trying to build an accurate picture of what support would be needed in the event of further closures. Thank you for your support with this.

Housekeeping

This week we are beginning to see the return of cooler weather. Please can you make sure that all your children's clothing is clearly labelled.

Time slots

Could we please ask parents to stick to their child's time slots when dropping off and collecting.
