

## Y3/4 Multi-skills and Titans

Well done to the pupils in Years Three and Four and the Titans that went to the high school to take part in a Multi-Skills competition. All the pupils enjoyed taking part in the different events that took place.

## Young Voices

On Friday 13th May a group of pupils went to the Sheffield arena to take part in the Young Voice concert. During the afternoon the 5000 strong pupil choir practiced ready for the evening performance. The atmosphere for the final evening performance was electric with nearly 10,000 children and adults packed in to the venue –something that was unthinkable a few months ago! The pupils all thoroughly enjoyed the experience. Thank you to all the teachers and staff that made this possible and the parents that have supported their children to take part in this.

## Peat Rigg written by Josh and assisted by Ethan .

*This week Year 6 went on a residential to Peat Rigg. On Monday morning ,we waited in the hall for the bus to arrive. After a short journey ,we arrived at Peat Rigg at lunch time. Following lunch, we were split into three groups (A, B and C) . Group A went abseiling, group B went crate climbing and group C did low ropes and archery. After everyone was finished we had an evening meal and went orienteering. At the end of the day we had supper - hot chocolate and a snack - before going to our dorms to sleep.*

*On Tuesday to prepare us for the day ahead , we had a filling breakfast before heading out for canoeing. After the row across the lake we had lunch before heading back to the accommodation. Once we were back, Group A did crate climbing, Group B did archery whilst Group C did canoeing (since they hadn't done it yet). Finally their evening activity was some different team games such as 'nuclear reactor' and 'mine field'.*

*On Wednesday morning, we got packed and ready to leave, Group A did archery and low ropes whilst Groups B and C did abseiling. Then we got our suitcases and boarded the bus ready for the trip home. Once we arrived back to school and were reunited with our parents ready to go home.*

## Good bye Miss O'Brien

At the end of this half-term Miss O'Brien is leaving. Miss O'Brien will be greatly missed. Having spent the last 5 years working in Key Stage 1 and The Hive, Miss O'Brien knows most pupils really well. We wish her good luck in her new role

## Reading Ambassadors

As a reading ambassador, my job is to keep the school library clean. There are 7 reading ambassadors. We all have helped with school's monthly newsletters and other reading events. Sometimes, we will show visitors around school and talk about why reading is important. We help out with finding books and keeping books clean. We sometimes have meetings where we talk about what to do next. We all encourage people to read. Every night, we expect a student to read to an adult and then have the adult sign their Reading Records!
