

Thirsk Community Primary School

Reception Pupils

Thank you to all of the parents of pupils in Reception for coming in to school through the Reception outdoor area. We are hoping that this will make things slightly less busy in the corridors first thing in the morning. Thank you for your support with this.

Bewerley Park

Next week pupils in Year Six will be going to Bewerley Park. We all hope that the weather is kind and that the children all enjoy this fantastic opportunity.

Parents Safeguarding Meeting

On Tuesday 16th October I would like to meet with any parents that are available; to gather your views on safeguarding. The idea is to gather as many views as possible about the schools safeguarding arrangements and also listen to any ideas that you as parents/ carers may have. The meeting will take place at 9.00am.

Parents Evening

Next week is parents evening. This is a really important time to come in to school and meet your child's new teacher. At parents evening important information relating to your child's progress over the first few weeks at school will be shared. We look forward to seeing as many parents as possible.

Please Help

This week, we have been supporting all the children in improving the environment in our dining hall.

Please could we ask parents to help support our younger children in learning how to open crisp bags correctly and to use a knife and fork to cut their food? The children have worked really hard on this during the week and many more of them are now much more independent in these tasks.

PAT TURNER AWARD

Molly Murphy 1/2S for always listening carefully, following instructions and trying her best. You have a fantastic attitude to learning. Molly is a kind friend and is a pleasure to teach.
