Thank you for all your help and support you have given to your children's learning over the last school year. It was fantastic to see so many parents at the PTA summer Fayre last Friday evening – fortunately the weather stayed mostly dry!

The PTA raised a fantastic £2237.91. Thank you to everyone who took part and helped.

At the beginning of the new school year we are going to be sharing our new home school agreement with families. This will reflect some of the changes that we are making in the way that learning takes place at our school. Next year there will be a huge focus on reading and also the importance of reading at home. Please look out for this letter early in the Autumn term.

Finally I would like to wish everyone a really enjoyable and safe summer holiday - fingers crossed for lots of sun and we look forward to welcoming pupils back to school on Wednesday 4th September.

flu: 5 reasons to vaccinate your child

- ✓ **Protect your child.** The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
- ✓ **Protect you, your family and friends.** Vaccinating your child will help protect more vulnerable family and friends
- ✓ **No injection needed.** The nasal spray is painless and easy to have
- ✓ **It's safer than flu.** The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- ✓ **Avoid costs.** If your child gets flu, you may have to take time off work or arrange alternative childcare

What should I do?
Contact your GP if your child is aged two or three years old and you haven't heard from their GP by early November.
If your child is at primary school and is eligible, the school will send you a consent form. Please sign and return it.
If your child has a health condition that puts them at greater risk from flu, they are also eligible for the flu vaccine.
