## Welcome Back

For all of us in school it was a real pleasure to welcome the children back to school after the summer holidays and an especially warm welcome to those children and families that are new to our school. All of the children look incredibly smart - a sea of red and white! Please can I ask that uniform is clearly named. Already this week we have a collection of brand new red jumpers and cardigans (without names!) found on the playground and left behind in corridors -as well as some worried children trying to relocate missing uniform!

Next week things begin to pick up pace with lots of our sports clubs starting up. Please have a look at the list of clubs on the second page of the newsletter so that you know what is happening when.

At school we are all looking forward to a really positive and productive year and seeing your children thrive. Like with all children learning happens best 'when home and school work together'. If I can ask one thing of everybody it is to listen to your child read regularly and talk to them about what they have read. Over the next week Key Stage Newsletters will be published, please take time to have a read through so that you know what your child will be learning over the term. Also the school's website has all the end of year statements for what your child should achieve by the end of the school year. These should guide you to where your child/children need to be.

June 2018

Dear Parent/Guardian of children who will be attending Reception to Year 5 from September 2018.

**School Name – Thirsk**

**Please visit this online form to consent for your child to receive their flu vaccine in the new school term 2018 / 2019. This consent must be completed by the end of school summer break, to ensure we can vaccinate your child in school.**

**Please enter the year group which your child will be in, as of September 2018.**

**If you do not know the class or teacher name please leave blank.**

**You will be asked to enter a secure school code: XZLQ7**

**[www.hdfn.nhs.uk/flu-consent](http://www.hdfn.nhs.uk/flu-consent)**

This vaccination programme is in place to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

**Please complete the online form** (one for each child) as soon as possible. Please ensure you read and understand all the information before you complete the online form. Please visit <https://www.hdfn.nhs.uk/services/childhood-flu-programme/> for more information about the flu vaccination.

The vaccination is free and recommended for young children, and will be given by a quick and simple spray up the nose. Please go to the website shown above which includes details about the small number of children for whom the nasal vaccine is not appropriate. Please ensure you read and understand the information before completing the online form. If you have any queries please contact the childhood Immunisation team on the above number.

Last year, most children offered the vaccine in schools had the immunisation. **Please note the team will be in contact via email to confirm and to contact you in the autumn term to confirm school dates, and any further information regarding the vaccination.**
